### The Ultimate Deep Cleaning Checklist A Top-to-Bottom Guide for Los Angeles Homes

#### 1. Kitchen (The Heavy Duty Zone)

- Cabinets & Drawers: Wipe down all exterior faces, hardware, and the very top of cabinets.
- Range Hood: Degrease the exterior hood and clean exhaust filters.
- Stovetop: Remove grates and deep-clean burners to remove baked-on carbon.
- Oven: Apply heavy-duty cleaner, scrub interior glass, walls, and racks.
- Refrigerator: Wipe exterior and top. Pull out (if accessible) to vacuum coils and floor.
- Microwave: Scrub interior, wash glass plate, and polish exterior.
- Sink & Disposal: Scrub sink, sanitize the drain, and polish fixtures.
- Backsplash: Degrease and wipe down all tiles and grout.
- Countertops: Move all small appliances, clean underneath, and polish surfaces.

#### 2. Bathrooms (Sanitization & Restoration)

- Shower & Tub: Apply heavy-duty treatment to remove hard water stains, soap scum, and calcium buildup.
- Grout: Scrub floor and wall tile grout lines.
- Glass Doors: Treat and polish shower glass to remove mineral spots.
- Toilet: Deep clean and sanitize inside, outside, base, and the wall behind the toilet.
- Sinks & Counters: Scrub basins, clean around faucet bases, and polish fixtures.
- Mirrors & Lights: Streak-free clean, including vanity light fixtures above mirrors.
- Exhaust Fan: Vacuum and wipe down the dust cover.

#### 3. Living Areas & Bedrooms (Dust & Allergen Removal)

- Ceiling Fans & Light Fixtures: Hand-wipe blades and dust glass fixtures/chandeliers.
- Cobwebs: Remove from all high corners and vaulted ceilings.
- Air Vents: Vacuum and wipe down all accessible HVAC return vents.
- Baseboards: Hand-wipe all baseboards, door frames, and window sills.
- Blinds & Shutters: Hand-wipe each individual slat to remove heavy dust buildup.
- Furniture: Vacuum upholstered furniture, including deep under the cushions.
- Underneath: Move light furniture to vacuum and mop underneath.

#### 4. Windows & Doors

- Window Glass: Wash interior window glass for a streak-free shine.
- Window Tracks: Vacuum out dead bugs, loose dirt, and scrub the sliding tracks.
- Doors: Wipe down doors, handles, and door frames to remove fingerprints and smudges.

#### 5. Floors (The Final Polish)

- Carpets: Detail edge-vacuuming along the baseboards and deep vacuuming all areas.
- Hard Floors: Thoroughly mop all wood, tile, and laminate floors using appropriate pH-neutral cleaners.
